Sergei Alyokhin, a former corrupt Russian cop hiding under a false identity in L.A., is anxious to rejoin his beloved wife Lena and two young daughters. He hasn't seen them for three long years since he busted the cargo transport of a most powerful mafia syndicate in Russia and fled. The mafia's angry leader swore to find the fugitive, and not only get the syndicate's money back, but avenge his son's death. Finally Alyokhin believes that he has covered his track sufficiently and invites his wife and daughters to join him for the long awaited family reunion at a luxurious island resort in Thailand. Their flight London-Bangkok perishes with 298 people on board over eastern Ukraine. Alyokhin wants to find the culprits and take his personal revenge not only on the perpetrators but also on those who ordered the heinous crime.

In private investigations he sides up with an ambitious and fearless US journalist Jane Ashley. They help each other to survive and uncover the truth. But their motivations are different: while Alyokhin is not much interested in politics, she wants a Pulitzer Prize which kept evading her, she wants to provide evidence and a live witness for the Hague International Tribunal trial to be. In their deadly quest amid the unfolding armed hostilities between Russia and Ukraine Alyokhin and Jane find themselves doggedly pursued by the military, special service agents, mafia syndicate professional hitmen and ... a manic serial killer, who suddenly emerges from Alyokhin's violent past to settle old scores with the former homicide investigator.

Very soon they come to realize that they are actually on a suicidal mission with no chance to survive. But against all odds they continue to follow the tracks they uncover. The tracks that ultimately lead them to the highest echelons of Russian power.

"The author has so skillfully built up the suspense that you cannot get away from it, not even for a second; you are dragged through every phase of this compact story, from the first chapter and not just to the last chapter, but to the very last line. To the very last line ... The episodes of this novel are not merely snap-shots, they are multi-layered images, like a CAT-scan. Every hero, a character; every character, a story; every story, a destiny."

"The mainspring and quality of this novel is the human suffering and desire to discover the truth about the circumstances involved in the shooting down flight MH-17. This turns the novel into a genuine political thriller, one that we desperately need in our post-factual world to be able to penetrate the cloud of lies covering the squalid conflict in the Ukraine."
